

Present Time / Transition Stage / Golden Age

(A Few Examples for the Physical Plane)

Areas of Life	Present	Transition	Golden Age
Angels & Elementals	Some religious/spiritual people believe in them. Most people do not. Little communication or concern for them. Few have a conscious relationship with them.	More believe in them. More focus on them. More communication. More love, respect, & concern. More of a conscious relationship. Work together for a better world.	Divine Love, Respect, & Care. Oneness with them. Conscious relationship. Quick, easy, & constant communication. Work together for a Pristine World.
Architecture	Variety of styles. Rare to use Sacred Geometry. Rare to be situated using Astronomy. Metal, concrete, glass, wood. Often ugly. Mostly square / “boxes” or also rectangular w/o Golden Ratio.	More beautiful. More Feng Shui, Golden Ratio, Sacred Geometry. More harmony w/ nature & Astronomy. Less concrete & metal. More natural materials like stone. More Circular / Spherical.	Beautiful. Cylinders / Pyramids / Spheres. Rectangular w/ Golden Ratio. Harmony w/ nature. Sacred Geometry. Often situated using Astronomy & Ley Lines. Only natural materials. Stone / Crystals.
Bedding / Clothing	Variety of synthetic and natural materials. Waste of water & resources. Harm / Death to animals. Use of machines & slave labor to produce.	Less synthetic materials. More natural materials. Less leather. More hemp, organic cotton, wool. More focus on quality & moral production of products.	No synthetic materials. Only natural materials. Excellent quality & morally produced. Even through “Materialization” / “Precipitation”.

Colors	Variety of colors for all materials. Even dark ones: black, brown, red, etc. Rarely a specific reason for wearing/using colors other than personal taste/options.	Less dark colors. More pastel & bright colors. More specific reasons for wearing/using colors. May do so just because the Energies/Vibrations “feel better”.	Only pastel & bright colors. Always specific reasons for wearing/using colors. Ex: a different color for the 7 days of the week - 7 Rays of God.
Diet	Mostly unhealthy. Much meat. Little Life-Force. Canned, frozen, boxed foods. Chemicals. Stores. No conscious choice, ratio, quantity based on body’s needs.	Healthier. More vegetarian & vegan. More in-season, fresh, organic, locally-grown foods. More Life-Force. Kin’s Domains / Communities of the Holy Spirit.	Healthy. Only vegetarian / vegan. Kin’s Domains / Communities of the Holy Spirit. Absorb nutrients - breathing / skin. Prana / Sunlight. “Precipitation” of foods/drinks.
Economy	Greed/selfishness. Materialism. Money not backed by gold. Many in debt. Many still in poverty. 1% have most of world’s wealth. Much harm to the environment.	Less greed/selfishness. Less Crony Capitalism & Communism. Less materialism. More spiritual focus. Less debt. Less poverty. Less harm to the environment.	No greed/selfishness. No need for money. Things are grown or built. Honest barter system. No debt. No poverty. No harm to environment. “Precipitation”.
Education	Mostly left-brain. Little truth or facts. Much indoctrination. Mostly biased opinions, limiting beliefs, incomplete info, & lies. Books/lectures. Little hands-on.	Balance left/right brains. More “Inner Teacher”. Critical thinking. Less books/lectures. More hands-on. Nature. Stories/parables. Play. More observing/experimenting.	For the Whole Person. Nature. Living Records - trees & crystals. Akashic Records - crystal slides. Project Consciousness - Universe. “Walk & Talk” w/ the Masters.
Healthcare	Big Pharma, medical schools, & hospitals make money through drugs/vaccines & treating symptoms. Few natural methods - mocked or attacked. Sick society.	Less diseases & less drugs/vaccines. More natural methods. More focus on cures & prevention. More harmony with nature. Healthier society.	No diseases & no drugs/vaccines. Complete harmony with nature. Perfect Health & Wholeness. Happy & Healthy Society.

Life Expectancy	Average global life expectancy is 72-73 years. Stress/anxiety, impure thoughts/feelings, unhealthy living, polluted environment, low level of spirituality, & negative karma are the primary causes.	Increase in consciousness will lead to healthier living & purer Body/Mind/Soul. Increase in life expectancy to 100 years & more. Some will maintain a physical body for hundreds of years like Babaji & Old Testament Lives.	Most, if not all, will become like Babaji & will leave embodiment when they choose to do so and/or when they “earn their Ascension”. Increased size of The Threefold Flame & Crystal Cord to increase the Light that prolongs Life.
Masters & Cosmic Beings	Most have no knowledge or direct contact with Them. There are some Messengers & others who do know/contact Them. Some Teachings for the Aquarian Age.	More knowledge about Them. More illumination/contact by Them through many Messengers & others. More/Higher Spiritual Teachings for the Aquarian Age.	Walk & Talk w/ Adepts, Masters, & Cosmic Beings from other Planets/Stars, Inner Earth, & Spiritual Realms. Higher Teachings for 3D & 5D living.
Materials	Products are mostly plastic, metals, & wood. Much synthetic, unnatural materials - difficult to decompose & harmful to the environment as waste.	Less plastic, metals, wood. More natural materials w/o having to cut down so many Living Trees. More stone, clay, & others. More use of Crystals, Gemstones, Gold.	No plastic. All natural materials. Very little use of wood, if any. Crystals, Gemstones, & Gold. Unknown materials - not yet discovered. “Materialization”.
Media	Very little “Free Press”. Mostly lies, disinformation, propaganda. Censorship/Suppression of Truth. Spreading false narratives for the Elite who own/control them. Fear-based to manipulate people.	More “Free Press”, Truth-Speakers, Whistleblowers, & Investigative Journalists. Expose more corruption. Provide more accurate details of World Events. Less control by the Elite.	If media is needed, it will be completely “Free”, Truthful, & Uplifting. It will provide completely accurate details of World Events. No control by the Elite. Truth equals Freedom.
Military	Some use for defending one’s nation & those who need help. Mostly used by the Elite for geopolitical reasons / regime change.	Less use by the Elite to acquire Power, Money, & Control. More use as “Peacekeepers” & defending one’s nation / others.	No need for a military when the Fallen Ones are gone & there is a Golden Age. Until then, people will defend themselves & others.

Roads	Asphalt/Bitumen roads. Destruction of trees & natural landscapes. Harms/Kills animals. Ugly. Dirty. Much money to continuously build & repair.	Less roads. Less destruction of trees & natural landscapes. Less harm/death to animals. Less traffic. Use of natural materials until roads become obsolete.	No roads. No destruction of trees & natural landscapes. No harm/death to animals. Flying cars/vehicles. “Teleportation” by technology or spirituality.
Size of Life-Forms	Some people are 7’ or taller, but most are shorter. Trees, plants, & animals have a certain average size that we know right now.	People may continue to grow & more may be around 7’ or taller. Trees, plants, & animals may also grow larger & double in size.	People may continue to grow & be around 15’ or taller. Trees, plants, & animals may also grow larger & triple in size. <i>(Sizes were different during ancient times & are dependent on various factors - Light, Karma, Consciousness, Earth’s Climate. We could become bigger like the early Root Races - but maybe not on the Physical Plane.)</i>
Space Travel	The Elite are hiding the New Age Technology. Current methods are very slow & limited for distance. Inferior materials & methods of using energy. Very expensive.	Newer materials & methods. Faster & greater distances. Bigger ships for space travel & smaller ships for planet/moon exploration & colonization.	“Organic Ships” controlled by the Mind. Interdimensional Travel. Transport machines to Teleport the body. Spiritual Projection - “Light Body” or Physical Body.
Spirituality	Some Atheism. Some Humanism & Satanism. Some Black Magic & Witchcraft. Religions w/ some Truths. Some New Age ideas. Some knowledge of the Ascended Masters’ Teachings.	Less Dark Practices. Greater wisdom from current religions. More New Age ideas. More Ascended Masters’ Teachings. More focus on Nature & Creation. More focus on the “Higher Self”.	No Dark Practices. Walk & Talk w/ Ascended Masters. Regular contact w/ Angels & Elementals. Illumination from one’s Higher Self. Oneness w/ All of Life everywhere in the Cosmos.

Technology	The Elite are hiding the New Age Technology. They are currently forcing a shift from “fossil fuels” to ineffective solar & wind for more Power, Money, Control - not to save the environment or provide lower energy prices.	New Age Technology will be released to the public and/or the Ascended Masters will illumine new inventors. The Elite will have less Power, Money, Control. Energy Production will be Safe, Clean, Free, & Unlimited.	“Light / Solar Technology” will be in Perfect Harmony w/ Mother Nature & allow Mankind to do incredible things that would seem like “Science Fiction” right now. Spirituality & Technology will work together.
Vehicles	Exterior & Interior - metals, plastics, synthetics, leather. Rubber tires. Use of gasoline or lithium-ion batteries for cars/trucks. Use of aviation kerosene for planes. Use of liquid hydrogen for spaceships.	Less metals, plastics, synthetics. More organic materials. Shift from fossil fuels & chemicals to solar, electromagnetic, water, etc. No need for tires - levitating vehicles. Will operate using Safe, Clean, Free, & Unlimited Energy.	Technology that works in Harmony w/ Mother Nature. Greater understanding of Math / Physics. Intertwining of Science & Spirituality. Move quickly & safely anywhere in the Universe. Levitation & Teleportation.
Waste	<u>So much waste.</u> Plastic pollution. Disgusting landfills. Toxic air, water, & soil. Some recycling. Some biodegradable materials.	<u>Less waste.</u> More recycling. More biodegradable materials. Cleaner air, water, & soil. Better ideas & technology for managing waste. Ex: burn using effective filters.	<u>No waste.</u> Only biodegradable & natural materials. Recycling (if needed). Possible use of the “Maxin Light” - an Unfed Flame in the Temple of Incal on Atlantis. Use of “Dematerialization” - the opposite of “Materialization” / “Precipitation”.
Weather / Climate	Impure thoughts, feelings, words, actions & negative karma pollute the world, create storms, & affect the climate. The Elite also use technology for “geo-engineering” & “weather warfare”.	More understanding of Man’s influence on the weather. More purity & less of a burden on Elemental Life. More prayers & visualizations. More stable & beautiful weather.	Beautiful weather year-round. No bad storms or harsh conditions. “Paradise” / “Garden of Eden”. No burden on Elemental Life. Balance, Harmony, Joy, Love, Peace, & Tranquility.
